

CERTIFICATION BODY N° 3024 PROVIDING CERTIFICATION OF
MANAGEMENT SYSTEMS

accredited by Czech Accreditation Institute (CAI)
CAI is signatory of Multilateral Agreement IAF of mutual acknowledgment

issues

CERTIFICATE

for

Metrostav a.s.

Koželužská 2450/4, Libeň 180 00 Praha 8

Head office, Division 1, Division 3, Division 4, Division 5, Division 6, Division 8, Division 9 and Division 11

Identification N° 00014915

Working department with certified activities are listed in the of this Certificate

Hereby is being certified that the established and applied

environmental management system

for

**construction of buildings
and engineering structures**

complies with

ISO 14001:2016

Certificate N° EMS-1333/2019

First certification of CO N° 3024:10/2016

Certificate valid from 8.10.2019

Certificate valid to 7.10.2022

Certification valid from 8.10.2019

Certification valid to 7.10.2022

Prague, 26.9.2019

Identification N° 00014915

List of establishments with certified activities

Division 5

Koželužská 2450/4, Libeň 180 00 Prague 8

Engineering supply and construction and road works in the field of roads
Engineering supply and construction of Czech Railways
Engineering supply in providing technological parts of buildings
Construction of rails with a fixed track
Site construction and assembly of prefabricated components
Underground construction
Tunneling through the new Austrian Tunneling Method (NRTM)
Tunneling using tunneling machine (TBM)
Construction and comprehensive reconstruction of railway and tramway substructures and superstructures, maintenance of railway tracks
Execution of chemical grouting and specific coating of concrete and other structures
Construction and reconstruction of reinforced concrete, steel and composite bridges and renovations
Maintenance, servicing and repairs of automobile tunnels on traffic structures
Implementation of concrete structures by continuous casting technology in sliding formwork
